

OUR MISSION

To strengthen and support our Congregation and our Jewish Values, while providing opportunities to develop friendships, learn, and have fun.

WHAT WE DO

The B'nai Tikvah Men's Club, an affiliate of the national Federation of Jewish Men's Clubs, is an active community whose mission is to strengthen and support our Congregation and our Jewish values, while providing opportunities to develop friendships, learn and have fun.

The Men's Club is an integral part of our shul and bolsters many facets of our congregation by:

- Offering Service Opportunities that reflect the interest of our members
- Creating community building opportunities
- Sponsoring Youth/Family events, religious school and softball team
- Hosting innovative breakfast programs and trips
- Providing contributions to the synagogue for capital improvements

The Men's Club meets the first Sunday of each at 10:00AM, unless otherwise communicated. We invite and welcome all men of our community to join us at these meetings and all our activities.
